Chilkepally, Telangana, April 02, 2019: Piramal Pharma Solutions (PPS), a Contract Development and Manufacturing Organization (CDMO), as part of its Employee Social Impact (ESI) initiative, conducted a community engagement programme for the locals of Chilkepally, a village in Telangana located 2 kms away from the PPS Digwal facility. 188 PPS employees volunteered 8 hours each to clean, scrub and paint the Chilkepally Mandal Parishad Primary School which led to the complete refurbishment of the school premises.

PPS collaborated with the Village Gram Panchayat to initiate this programme wherein the employee volunteers including the Site Leadership Team flagged-off the activity at the Digwal facility. Employees were divided into four groups, each focused on one particular activity such as cleaning of the school premises and scrubbing & painting the exterior & interior of the school building. In addition, the volunteers contributed to the repair and maintenance (Civil, Electrical & Plumbing) work followed by a session on hygiene for school students.
