Consolidated Revenues

Revenues for Q3 FY2015 were 8.8% higher at ₹ 1,399 Crores and revenues for 9M FY2015 were 12.7% higher at ₹ 3,826 Crores. Company delivered a strong revenue performance with growth across all segments in both the quarter and nine-month periods. 69% of our 9M FY2015 revenues were generated in foreign currency.

Operating Profit

Operating profit for Q3 FY2015 was 16% higher at ₹ 320 Crores primarily driven by strong revenue performance across businesses during the quarter and fall in R&D expenses. R&D expenses were lower during the quarter on account of scaling back of investments in NCE research in Q2 FY2015.

Operating profit for 9M FY2015 was 22% higher at ₹ 693 Crores.

Net Profit

Net Profit for Q3 FY2015 was higher at ₹ 249 Crores as against a net loss of ₹ 11 Crores for Q3 FY2014. The increase in net profit was mainly on account of improved operating performance, lower interest cost due to reduction in long term debt, exceptional gain and higher share of income from associates, partly offset by marginal increase in depreciation and higher tax expense.

Net Profit for 9M FY2015 was at ₹ 2,755 Crores as against a net loss of ₹ 190 Crores for 9M FY2014.

Interest Expenses

Interest expense for the quarter was lower primarily on account of reduction in debt using cash proceeds from sale of our stake in Vodafone India.

Exceptional Gain/Loss

Exceptional Gain during Q3 FY2015 was on account of partial reversal of the amount written down in Q2 on account of scaling back of investments in NCE Research.

Exceptional gain for 9M FY2015 also includes gain on sale of 11% stake in Vodafone India for ₹ 8,900 Cr (an Investment of ₹ 5,864 Cr made in FY2012) partly offset by the amount written down on account of scaling back of investments in NCE research in Q2 FY2015.

Share of Associates

Income under share of associates for the quarter primarily includes our share in the profits of Shriram Capital for this period.

Healthcare Business

For Q3 FY2015, revenues from healthcare businesses were ₹ 794 Crores as compared with ₹ 750 Crores for Q3 FY2014; a growth of 5.8% over the corresponding previous period. Q3 FY2015 Revenues from the Pharma Solutions business grew 3.4% over Q3 FY2014. Revenue from the Critical Care business grew 8.1% during the quarter, primarily on account of continued gain in our market share in US, Europe and new launch in Japan. Revenue from the OTC and Ophthalmology business in Q3FY2015 grew by 14.2% over Q3 FY2014, mainly on account of improved marketing

strategy for existing brands and effective launch of new brands (including Quikkool, a pain relieving mouth ulcer gel).

For 9M FY2015, revenues from healthcare businesses were at ₹ 2,303 Crores as compared with ₹ 2,070 Crores for 9M FY2014, a growth of 11.3% during the period.

Our Pharma Solutions business had announced an acquisition of Coldstream Laboratories, a US based Contract Development and Manufacturing Organisation (CDMO) in January 2015 for a consideration of USD 30.65 million. Coldstream is a CDMO focused on the development and manufacturing of sterile injectable products. Coldstream is a specialty pharmaceutical contract manufacturer with an emphasis on clinical trial to commercial-scale manufacturing of sterile liquid and injectables. Coldstream has developed differentiated expertise to formulate and manufacture high potency and cytotoxic compounds including Antibody Drug Conjugates (ADCs).

Financial Services Business

Income from financial services was 11.4% higher at ₹ 225 Crores for the quarter ending December 31, 2014 as compared with ₹ 202 Crores for the corresponding previous quarter. The growth in income was primarily driven by growth in size of loan book and Assets under Management. Loan Book grew 52% over last year to ₹ 3,933 Crore. Fund Management AUM grew 58% over last year to ₹ 7,286 Crore. Income from financial services was 24.3% higher at ₹ 679 Crores for nine months ended December 31, 2014 as compared with ₹ 546 Crores for the corresponding period of the previous year.

Information Management Business

Revenues from information management business were 18.5% higher at ₹ 377 Crores for Q3 FY2015 as compared with ₹ 318 Crores for Q3 FY2014, driven by growth across entire range of products & services. Revenues from information management business were at ₹ 825 Crores for 9M FY2015 as against ₹ 725 Crores for 9M FY2014, a growth of 13.8% during the period.
