- *Piramal Sarvajal and Sankei Giken India Pvt. Ltd. will offer safe drinking water across two villages in Rewari, Haryana*
- *Establishment of these facilities will benefit over 4000 individuals residing in these villages*

**Monday | May 20, 2019 | Rewari, Haryana:** Piramal Sarvajal, a mission driven social enterprise, announced its partnership with Sankei Giken India Pvt. Ltd. to provide safe drinking water across two villages – Suthani and Kharkhari in Rewari, Haryana. The facility will also be extended to Nechana village in the coming days. Mr. Sajay Ghatak, Senior General Manager – CSR partnerships, Piramal Water Private Ltd. along with Mr. Riyo Takahassi, Head – Commercial, Sankei Giken graced the occasion.

As a part of its commitment to provide safe drinking water to the unserved and underserved communities, Piramal Sarvajal has been undertaking several programs and partnerships over the years. Through this partnership, Piramal Sarvajal has set up purification cum dispensing unit (RO+ATM) to provide an uninterrupted access to affordable safe drinking water.

So far, the village was dependent on borewell for its water supply, due to which the community often suffered from major water borne diseases such as joint pain, kidney stones and skin diseases. This initiative by Piramal Sarvajal will benefit the villagers by catering to their need for safe drinking water in the village.

Speaking on the occasion, **Mr. Anuj Sharma, CEO, Piramal Sarvajal**, said, “Piramal Sarvajal is glad to be associated with Sankei Giken’s to take their credo of Quality Customer Service to their CSR supported community services.”

**Vinod Joshi General manager , Sankei Giken India Pvt. Ltd.** said, “It is an immense pleasure to launch safe drinking water facility in three of the villages of Rewari in partnership with Piramal Sarvajal. Based on the detailed survey undertaken by a third party organization, we realized the need for safe drinking water facility by the communities. Support of villagers will be required for the successful implementation of the project. This will encourage us to take up such activities in future as well.”
