**About Piramal Enterprises Ltd:**

Piramal Enterprises Limited (PEL) is one of India's large diversified companies, with a presence in Financial Services, Pharmaceuticals and Healthcare Insights & Analytics. PEL's consolidated revenues were over US\$1.6 billion in FY2018, with around 46% of revenues generated from outside India.

In Financial Services, Piramal Capital & Housing Finance Ltd is registered as a housing finance company with National Housing Bank (NHB) and engaged in various financial services businesses. It provides both wholesale and retail funding opportunities across sectors. In real estate, the platform provides housing finance and other financing solutions across the entire capital stack ranging from early stage private equity, structured debt, senior secured debt, construction finance, and flexi lease rental discounting. The wholesale business in non-real estate sector includes separate verticals - Corporate Finance Group (CFG) and Emerging Corporate Lending (ECL). CFG provides customized funding solutions to companies across sectors such as infrastructure, renewable energy, roads, industrials, auto components etc. while ECL focuses on lending towards Small and Medium Enterprises (SMEs). PCHFL through its group companies provides customized strategies for institutional and retail investors such as Mumbai Redevelopment Fund and Apartment Fund focused (through Piramal Fund Management) and strategic partnerships with leading global pension funds such as CPPIB, APG and Ivanhoe Cambridge. The division has also launched a Distressed Asset Investing platform with Bain Capital Credit - IndiaRF that will invest in equity and/or debt in assets across sectors (other than real estate) to drive restructuring with active participation in turnaround. PEL also has long term equity investments worth ~US\$1 billion in Shriram Group, a leading financial conglomerate in India.

In Pharma, through an end-to-end manufacturing capabilities across 13 global facilities and a large global distribution network to over 100 countries, PEL sells a portfolio of niche differentiated pharma products and provides an entire pool of pharma services (including in the areas of injectable, HPAPI etc.). The Company is also strengthening its presence in the Consumer Product segment in India.

PEL's Healthcare Insights & Analytics business is the premier provider of healthcare analytics, data & insight products and services to the world's leading pharma, biotech and medical technology companies and enables them to take informed business decisions.

PEL is listed on the BSE Limited and the National Stock Exchange of India Limited in India.
