# **Piramal Pharma Solutions Holds Grand Opening Ceremony for New API Plant at Aurora, Canada Manufacturing Site**

- *Official Inauguration and Ribbon Cutting of New API Production Plant*
- *Plant is part of the company's CAD \$30 million capital investment in the site*
- *New plant includes reactor suites, filtration, and drying capabilities*

**Aurora, Canada | July 12, 2022:** Piramal Pharma Limited's Pharma Solutions business, a leading Contract Development and Manufacturing Organization (CDMO), held a Grand Opening to celebrate the official inauguration of a new active pharmaceutical ingredient (API) plant at the company's site in Aurora, Ontario.

The event was attended by members of the PPS Aurora Site Leadership Team, the company's global Executive Leadership Team, and a number of Aurora dignitaries, including the Honorable Tom Mrakis, Mayor of Aurora; Aurora Town Councilors Sandra Humfryes and Rachel Gilliland; Lisa Hausz, Manager of Economic Development & Policy for Aurora, and Seana Murray of the Aurora Chamber of Commerce.

The new plant, built as part of a CAD \$30 million capital investment in the Aurora site, features more than ten thousand square feet of new manufacturing space and includes two new reactor suites with additional filtration and drying capabilities. It will support ongoing customer demand for Piramal Pharma Solutions' expertise in APIs and enhances and expands the company's ability to produce clinical to commercial scale APIs, including highly potent APIs requiring an Occupational Exposure Limit (OEL) of 1mcg/m<sup>3</sup>.

**Peter DeYoung, Chief Executive Officer, Piramal Pharma Solutions** said, “This new plant is just the latest in a series of expansions and capability upgrades at Aurora, with more to follow. I thank the local government for their support. In partnership with them, the team at Aurora has done commendable work in getting this facility engineered and online. It’s evidence of our commitment to the global API market and the long-term growth of PPS as an

organization. Our ultimate objective is to help customers get medicines to patients, and Aurora is an important part of that process. What’s been accomplished to date in Aurora is indeed a source of pride for all of us, and we look forward to what’s yet to come.”

**The Honorable Tom Mrakas, Mayor of Aurora**, stated, “The opening of this plant is an exciting moment for the town of Aurora. It validates our strong partnership with Piramal and affirms that we are fully supportive of their efforts to expand their presence and their capabilities. I congratulate them on this outstanding achievement. Piramal is an example of an extraordinary corporate citizen, and I’m proud of what our two strong teams have achieved by working

together.”

**About Piramal Pharma Solutions:**

Piramal Pharma Solutions (PPS) is a Contract Development and Manufacturing Organization (CDMO) offering end-to-end development and manufacturing solutions across the drug life cycle. We serve our customers through a globally integrated network of facilities in North America, Europe, and Asia. This enables us to offer a comprehensive range of services including drug discovery solutions, process & pharmaceutical development services, clinical trial supplies, commercial supply of APIs, and finished dosage forms. We also offer specialized services such as the development and manufacture of highly potent APIs, antibody-drug conjugations, sterile fill/finish, peptide products & services, and potent solid oral drug product. PPS also offers development and manufacturing services for biologics including vaccines, gene therapies, and monoclonal antibodies, made possible through Piramal Pharma Limited's investment in Yapan Bio Private Limited. Our track record as a trusted service provider with experience across varied technologies makes us a partner of choice for innovator and generic companies worldwide.
